

## SIMES Visitors Resources for finding housing

### STANFORD'S COMMUNITY HOUSING SITE

<http://web.stanford.edu/dept/rde/cgi-bin/drupal/housing/?q=community-housing/community-housing&/general/hotel.html>

***These sites contains listings for long-term as well as short-term rentals.***

### CRAIGSLIST

<http://sfbay.craigslist.org/pen/apa/>

The area considered to be the "Peninsula" includes: Stanford, Palo Alto, Menlo Park, Mountain View, Redwood City, etc.

Redwood City is 7 miles from the Stanford campus. Palo Alto and Menlo Park are very close - and Stanford is really just the home of Stanford University - not a city.

### PLACES4STUDENTS

You must first request access to Stanford's listings. See <http://web.stanford.edu/dept/rde/cgi-bin/drupal/housing/community-housing/access-rental-listings>

This site contains not only apartments for students but everything up to large, expensive houses for rent. Landlords who prefer to rent to Stanford- or SLAC-affiliated people put their listings here.

### SUPost

***These places have short-term, furnished rentals***
